First round of education and outreach sessions wrapping up. Migration to FloridaNet.gov starts soon.

Posted by Larry Gowen on Mar 24

Thank you to all who have attended the first round of the FloridaNet education and outreach sessions.

We have one more "live" event in Orlando March 31-April 1, and a final WebEx event on April 8th. If you are interested in any of these events please go to the FloridaNet website (www.floridanet.gov/registration)

We plan on having another round of sessions this summer.

During the month of April we will begin the migration of this Basecamp site to FloridaNet.gov. The FloridaNet team will provide regular updates on the progress of this migration as well as help anyone with the transition.

Thank you,
Larry Gowen
FloridaNet Project Manager
